City of Beacon | COVID-19 Update | 26 March 2020 6 PM

This is Mayor Lee Kyriacou, with a local Beacon update. This one's brief.

- 1. COVID-19:** No additional official information specific to Beacon. Same stores and city services operating. Thank you everyone.
- 2. Pay Online / Water Bills:** As I mentioned yesterday, you can pay your water bill online at www.cityofbeacon.org. We are making a big push to pay this quarter's water bill electronically or by check – so please help us succeed. Our bill pay function is limited this week to cards only, for which there is a 3% fee; if you wait a week, you will be able to pay from your checking account for a flat 75 cents.
- 3. Census:** And again, I know we have other things on our minds, but remember to complete your household's census survey by April 1st – at my2020census.gov.

Thank you all; stay well.

Official information is on state, county and city websites or on public Channel 22:
