City of Beacon | Halloween & Voting | 30 October 2020

Hi all; it's Mayor Lee Kyriacou with brief reminders on Halloween and on voting.

On Halloween: Here are the highlights of the County Health Department's guidelines to keep us safe (full guidelines are the city's website and Facebook page).

If you choose to allow your children to trick-or-treat:

- Have them stay home if they're sick.
- Maintain social distance.
- Wear a health mask – a costume mask doesn't count.
- Stay in one neighborhood.
- Wash hands or use hand sanitizer.
- Only accept pre-packaged treats.

If you're not comfortable having trick-or-treaters at your door, turn off your porch light. If you decide to hand out treats, consider ways to do so safely.

On Voting: You can still vote early at Fishkill Town Hall on Route 52 just our city limits – Saturday 9-4 and Sunday 12-5 – there may be lines. On Tuesday, polls are open 6 AM to 9 PM – at the usual polling places – Tompkins Hose Firehouse, Rombout Middle School, Forrestal School – and a change for Ward 4 voters, whose polling place has switched back to the city's Memorial Building on Main at Teller.

Thank you, stay well.
