## SURVEY for SOLUTIONS

The City Council of Beacon believes our city government is made stronger through an engaged and active public. While there are already several ways for those who live and work in Beacon to provide feedback, input and inspiration for City Council, we believe that Council has a pro-active role to play in making our government more accessible and participatory.

To that end, we are hosting a series of Community Quarterlies to give a platform for Beaconites to share ideas with each other and vote through a set of priorities for your City Council to address moving forward.

Each CQ will center on a question articulated by Council and have three phases:

- Part 1: Survey for Solutions - this form!
- Part 2: Public Forum - Saturday, April 30 10AM-12PM | Tompkins Hose, 13 South Ave
- Part 3: Community Vote - ballots will be available after the Forum

### **Community Quarterley #1 Central Question: What is a key aspect of Community and Public Safety that is missing or requires improvement and that the City should provide?**

The Council of the City of Beacon recognizes that multiple services and resources live under the umbrella of Community and Public Safety. These include the police as well as healthcare, food, housing, and recreational resources. Together, these areas of life encourage critical community connections, a sense of unity and belonging that are critical to our shared safety. In this first Community Quarterley, the Council seeks to hear from Beaconites about what Community Safety means to them specifically, and what the City can do to meet those needs and ensure we all feel safe and are able to thrive here.

### **GUIDELINES**

- Ideas must be lead by an individual Beacon resident or Beacon-based group or organization
- Ideas must address the central question as well as offer a clear solution
- Offered solutions must be within the scope of Beacon municipal government, to the best knowledge of the submitter. Council will verify details here as needed.
- A representative for the Idea must be available to come present the idea at the Public Forum on April 30th
- Ideas must be submitted by **Friday, April 22nd @ 4PM**
  - Online via the Form: [bit.ly/BeaconCQSurvey](https://bit.ly/BeaconCQSurvey)
  - OR in-person to Ben Swanson at Beacon City Hall | 1 Municipal Plaza
