### **City of Beacon Main Street Milling and Repaving**

The City of Beacon will be milling and repaving Main Street over the course of the next two weeks.

Please note that there will be no parking on Main Street from 5 a.m. to 5 p.m. from Monday, April 25th, until Friday, April 29th, to allow for milling of the road. At least one lane of traffic will be kept open during road work. Main Street will open for parking over the weekend of April 30th and May 1st.

Paving will then begin on Monday, May 2nd, and run through Wednesday, May 4th, requiring complete suspension of parking on those days and some traffic closures.

Dates may be subject to change depending on weather. All updates on the work will be posted on the City of Beacon website, Facebook account, and will be circulated by phone to those who have signed up to receive such on the City of Beacon website.
