

Dutchess Tourism and the City of Beacon are working together to reopen the Beacon Welcome Center (BWC) this spring! The BWC is located in Polhill Park off of Main Street, and we are seeking volunteers to help staff the facility.

The BWC is a key Tourist Information Point in Dutchess County, and we hope to make it great resource for our community and visitors! Volunteering is an excellent way to learn more about what is happening in both Dutchess County and Beacon, as well as to ensure that visitors receive a warm and friendly welcome.

We will host a kick-off event at noon on April 27th, 2024 to welcome all volunteers and help them get acquainted with Beacon. This event will take place in Beacon's City Hall at 1 Municipal Plaza, Beacon, NY 12508.

If you, or someone you know, are interested or have questions, please contact Jessica Sarrantonio at jessica@dutchesstourism.com or 845-204-9425.
