2024 MENTAL HEALTH PUBLIC FORUMS

We're going on the road to get your input!

This year, we are hosting our **Mental Health Forums** across Dutchess County, so you can learn more about the various mental health services available to you and your family.

We need to hear from you! Share your experiences and feedback to help improve service delivery throughout our community.

Join Us to Talk about Services and Programs for:

- Intellectual and Developmental Disabilities
- Substance Use, Addiction and Recovery
- Mental Health Needs for Youth & Adults
