WATER DEPARTMENT

ATTENTION BEACON WATER CUSTOMERS

If you have not scheduled your water meter upgrade, and received a fine on your October billing, you can still schedule with the Water Department until the date of October 31st at 4:00PM and then request to have the fine removed.

After the Amnesty period of October 31st at 4:00PM, all fines will remain.

**To Schedule Your Meter Upgrade, call the Water Department
Meter Reader at: [845-243-1247](tel:845-243-1247)**

After Scheduling, Call to Have the Fine Removed:

To have the fine removed please call: [845-838-5000](tel:845-838-5000)

*****The Water Department may schedule your upgrade after October 31st, as long as you are listed as scheduled by that date, the fine can be removed. We will only remove the fine once you inform us*****

*****Any failure to schedule the appointment by October 31st and/or failure to provide access to perform the necessary upgrade will result in a \$250 surcharge for each and every quarterly water bill until the new water meter is installed*****
