NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Beacon, in the County of Dutchess, State of New York, as follows:

Section 1. There is hereby authorized to be issued serial bonds of the City, and/or bond anticipation notes issued in anticipation of the issuance of such serial bonds, in the aggregate principal amount of \$730,000 to finance the costs of the Project at a total estimated cost of \$730,000 all in accordance with the Local Finance Law.

Section 2. The City Council of the City has ascertained and hereby states that (a) the estimated maximum cost of the Project will not exceed \$730,000; (b) no money has heretofore been authorized to be applied to the payment of the costs of the Project; (c) the City Council of the City plans to finance the costs of the Project from the proceeds of the serial bonds as authorized herein, and/or of bond anticipation notes issued in anticipation of the issuance of such serial bonds, except to the extent of Federal or State aid received by the City, which shall reduce the principal amount of such serial bonds or bond anticipation notes *pro tanto*; (d) the maximum maturity of the serial bonds authorized herein shall be in excess of five (5) years; and (e) on or before the expenditure of moneys to pay for any costs made in connection with the Project for which proceeds of such obligations are to be applied to reimburse the City, the City Council of the City took “official action” for federal income tax purposes to authorize the capital financing of such expenditure.

Section 3. It is hereby determined that the Project is a class of objects or purposes as described in subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law and that the period of probable usefulness of the Project is forty (40) years. The serial bonds authorized herein shall have a maximum maturity of the forty (40) years computed from the earlier of (a) the date of the first issue of such serial bonds, or (b) the date of the first issue of bond anticipation notes issued in anticipation of the issuance of such serial bonds.

Section 4. Subject to the terms and conditions of this bond ordinance and the Local Finance Law, including the provisions of Sections 21.00, 30.00, 50.00 and 56.00 to 60.00, inclusive, the power to authorize serial bonds as authorized herein, and bond anticipation notes issued in anticipation of the issuance of such serial bonds, including renewals thereof, the power to prescribe the terms, form and contents of such serial bonds and such bond anticipation notes, and the power to sell, issue and deliver such serial bonds and such bond anticipation notes, are hereby delegated to the City Administrator, as the chief fiscal officer of the City. The City Administrator is hereby authorized to execute, on behalf of the City, all serial bonds issued pursuant to this bond ordinance, and all bond anticipation notes issued in anticipation of the issuance of such serial bonds, and the City Clerk is hereby authorized to impress the seal of the City (or to have imprinted a facsimile thereof) to or on all such serial bonds and all such bond anticipation notes and to attest such seal. Each interest coupon, if any, representing interest payable on such serial bonds shall be authenticated by the manual or facsimile signature of the City Administrator.

Section 5. The faith and credit of the City is hereby and shall be irrevocably pledged for the punctual payment of the principal of and interest on all obligations authorized and issued pursuant to this bond ordinance as the same shall become due. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. To the extent not paid from other sources, there shall annually be levied on all the taxable real property of said City, a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 6. When this bond ordinance takes effect, the City Clerk shall cause the same, or a summary thereof, to be published together with a notice in substantially the form prescribed by Section 81.00 of the Local Finance Law in The Poughkeepsie Journal, a newspaper having a general circulation in the City. The validity of the serial bonds authorized herein, and of bond anticipation notes issued in anticipation of the issuance of such serial bonds, may be contested only if such obligations are authorized for an object or purpose for which the City is not authorized to expend money, or the provisions of law, which should have been complied with as of the date of publication of this bond ordinance, were not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or if such obligations were authorized in violation of the provisions of the Constitution of the State of New York.

Section 7. Prior to the issuance of any obligations authorized herein, the City Council of the City shall comply with all applicable provisions prescribed in Article 8 of the Environmental Conservation Law, all regulations promulgated thereunder by the New York State Department of Environmental Conservation, and all applicable Federal laws and regulations in connection with environmental quality review relating to the Project (collectively, the

“environmental compliance proceedings”). In the event that any of the environmental compliance proceedings are not completed, or require amendment or modification subsequent to the date of adoption of this bond ordinance, the City Council of the City will re-adopt, amend or modify this bond ordinance prior to the issuance of any obligations authorized herein upon the advice of bond counsel. It is hereby determined by the City Council of the City that the Project will not have a significant impact on the environment.

Section 8. The City hereby declares its intention to issue the serial bonds authorized herein, and/or bond anticipation notes issued in anticipation of the issuance of such serial bonds (collectively, the “obligations”), to finance the costs of the Project. The City covenants for the benefit of the holders of such obligations that it will not make any use of the proceeds of such obligations, any funds reasonably expected to be used to pay the principal of or interest on such obligations or any other funds of the City, and will not make any use of the Project, which would cause the interest on such obligations to become subject to Federal income taxation under the Internal Revenue Code of 1986, as amended (the “Code”) (except for the federal alternative minimum tax imposed by the Code), or subject the City to any penalties under section 148 of the Code, and that it will not take any action or omit to take any action with respect to such obligations, the proceeds thereof or the Project financed thereby, if such action or omission would cause the interest on such obligations to become subject to Federal income taxation under the Code (except for the federal alternative minimum tax imposed by the Code), or subject the City to any penalties under section 148 of the Code. The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of any serial bonds authorized and issued under this bond ordinance or any other provisions hereof until the date which is sixty (60) days after the final maturity date or earlier prior redemption date thereof. The proceeds of any obligations authorized herein may be applied to reimburse the expenditures or commitments of the City made in connection with the Project on or after a date which is not more than sixty (60) days prior to the date of adoption of this bond ordinance.

Section 9. For the benefit of the holders and beneficial owners from time to time of the serial bonds authorized herein, and of the bond anticipation notes issued in anticipation of the issuance of such serial bonds, the City agrees, in accordance with and as an obligated person with respect to such obligations under, Rule 15c2-12, as amended (the “Rule”), promulgated by the Securities Exchange Commission pursuant to the Securities Exchange Act of 1934, to provide or cause to be provided such financial information and operating data, financial statements and notices, in such manner as may be required for purposes of the Rule. In order to describe and specify certain terms of the City’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the City Administrator is authorized and directed to sign and deliver, in the name and on behalf of the City, the commitment authorized by subsection 6(c) of the Rule (the “Commitment”) to be placed on file with the City Clerk, which shall constitute the continuing disclosure agreement made by the City for the benefit of holders and beneficial owners of the obligations authorized herein in accordance with the Rule, with any changes or amendments that are not inconsistent with this bond ordinance and not substantially adverse to the City and that are approved by the City Administrator on behalf of the City, all of which shall be conclusively evidenced by the signing of the Commitment or amendments thereto. The agreement formed collectively by this paragraph and the Commitment shall be the City’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of

funds and their annual appropriation to meet costs the City would be required to incur to perform thereunder. The City Administrator is further authorized and directed to establish procedures in order to ensure compliance by the City with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with the agreement or providing notice of the occurrence of any material event, the City Administrator shall consult with, as appropriate, the City Attorney and bond counsel or other qualified independent special counsel to the City and shall be entitled to rely upon any legal advice provided by the City Attorney or such bond counsel or other qualified independent special counsel in determining whether a filing should be made.

Section 10. This bond ordinance shall take effect immediately pursuant to Section 9.06 of the City Charter.
