NEW YORK STATE  
ACCREDITED AGENCY

## **\*01/15/26 UPDATE ON TIORONDA AVE. INVESTIGATION\***

The City of Beacon Police Department is requesting information on a possible suspect description in reference to yesterday's reported assault on Tioronda Ave.

As of this time we are requesting that individuals check any available cameras, in Beacon, for footage from 1/14/2026, of a white male, wearing a black jacket or coat (not a puff coat), a black knit hat and blue pants or jeans. The suspect is further described as possibly being in his 30s-40s, approximately 5'11" with a medium build and having a brown, very close beard.

**If anyone has any footage depicting an individual that could fit that description or most of that description, please immediately contact the City of Beacon Police Department at (845)831-4111.**

To address some concerns about the information that has been released so far, we do not take the public's concerns lightly at all. Had it been appropriate to release this information earlier, we would have. Please understand that this is a sensitive investigation and that in certain, traumatic cases, it is not even appropriate to fully take a statement from a victim until time has passed. It would therefore be irresponsible for us to prematurely release information which we, objectively, could not rely on.

We, again, must also balance the public's need to know with the needs of the victim's privacy and the potential to compromise an investigation and/or prosecution. The department is continuing to devote its full resources to this investigation and is receiving assistance from other agencies as well.

Once again, anyone with any relevant information is urged to contact the Beacon Police Department at (845)831-4111.

Thomas Figlia  
Chief of Police
