

NOTICE TO RESIDENTS
MILLING & PAVING WORK – FISHKILL AVE

Dear Residents,

Please be advised that the City of Beacon, will be performing milling and paving operations on Fishkill Avenue from Blackburn Avenue to Prospect Street. Work is expected to begin on Monday, April 27th through April 29th for milling and May 4th through 7th for repaving.

We appreciate your patience and cooperation as we work to improve your roadways, and check the City website and social media for updates to scheduling of work.

Please note: all work is weather-dependent and subject to change. Please avoid the area to the extent possible while work is ongoing. Thank you for your patience while this important infrastructure upgrade work is taking place.
